Joanne & Paul,

Your Personality's compatibility is 7 & 5

### **FINAL COMMENTS – What could you improve in your relationship?**

What keeps you together?

Certain negative traits – some useful warnings

Answer on the personal question

## INTRODUCTION

### The alchemy of your lives

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

If some compatibility aspect of the chart is already included in other parts of this report, this is done as the repeating certain traits would place much emphasis on them.

Master numbers are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. The compatibility between two people is influenced much more strongly by the core numbers, than by all the other numbers in the chart combined. That is why some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

This reading is based on your date of birth. Please check your birth data on the below to make sure the date of birth used is correct.

## **ROMANTIC PARTNERS**

Birth name: Joanne Gignilliant Woodward

Short name: Joanne Woodward

Birth date: February 27, 1930

Birth name: Paul Leonard Newman

Short name: Paul Newman

Birth date: January 26, 1925

I wish you to enjoy this reading.

### **LIFE PATH**

#### **The message of your Birth Date**

The moment of our birth, the moment when we step into a new reality of human life is a moment when our life play starts.

Both our name and our birthday establish our life game board. We start our game making our own choices. But even at that moment we are unique as unique are our DNA or our fingertips. With all given potential we can do what we want deciding with our free will what version of our potential we shall put in this play. It can be full or smaller version of ourselves. It is our choice.

The Life Path shows a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. It is the road we are traveling facing our opportunities and challenges.

The Life Path number reflects “the path we walk on,” and should be seen more as a powerful influence than as a part of our personality makeup.

Joanne and Paul, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship. Joanne’s Life Path is 15/6 and Paul’s Life Path is 17/8. The compatibility of your Life Path’s numbers is 15/ & 17/8.

#### **Joanne**

**15/6**

You are naturally balanced. Therefore, you are well equipped to support and ground others in times of trial.

Joanne, you try to maintain harmony within the family or group, balancing and fusing divergent forces. You seek marriage and are often a wonderful parent, offering warmth, protection, and understanding to children.

Joanne, you possess great compassion and seek to be of service to others. You have concern for the weak and the downtrodden. You are a healer and a helper to others. You

are capable of giving comfort to those in need and will frequently offer a shoulder for others to cry on.

Your task in life is to develop the tools necessary to be truly helpful to others, rather than to simply be a sympathetic ear. You must find the balance between help and interference. In the same way, you must learn the delicate art of the counsellor who knows when to leave the struggle to others and when to avoid taking away the necessary experiences and lessons of life.

It is in your nature to take on responsibility -- you often fill the void left by others - - and do not turn away from personal sacrifice. At times, you may feel overburdened by the travails of others. However, the love others bestow upon you is your well deserved reward.

You are generous, kind, and attractive. You are often admired even adored which baffles you. You are humble and yet you carry a deep pride. You move well and gracefully, but will have to work to stay in shape. Seek out physical exercise and limit the sweets and dairy you crave to keep yourself from becoming plump and round.

When young, you must be careful not to choose partners for the wrong reasons. Do not let sentimentality influence your decision, especially those involving the choice of a spouse. You need to be needed, but must learn to discriminate between those you can help and others who are made weaker by your care.

After all, it is in your nature to be attracted to the weaker brothers and sisters among us.

The temptation, and the danger for you, is to think of yourself as the savior of the world, carrying the burdens of others on your shoulders.

Joanne, you are blessed with musical talent, as well as in the visual and performing arts. However, your creativity may well be suppressed due to your willingness to sacrifice, or your inability to fully appreciate your talents. This is not to say that you cannot excel in these areas; on the contrary, you have the talent, and with effort you can make a success in a number of artistic fields.

You also have enormous talent in business. You are blessed with a great deal of charm and charisma, which you use effectively to attract the people and support you need.

## **Paul** **17/8**

Paul, you are a visionary and a bit reckless. You possess the ability to inspire people to join you in your quest, but often they are incapable of seeing what you see. Therefore, those around you need your continual guidance, inspiration, and encouragement. You must prod them into action and direct them along the lines of your vision.

You are gifted with natural leadership and the capacity to accumulate great wealth. You have great talent for management in all areas of life, especially in business and financial matters. You understand the material world; you intuitively know what makes virtually

any enterprise work. Your talent lies not with the bookkeeping or petty management, but with the greater vision, its purpose, and long range goals.

You attract financial success more than any other Life Path, but effort is required.

Paul, your challenge in life is to achieve a high degree of detachment, to understand that power and influence must be used for the benefit of mankind. Those born with the Number 8 Life Path, who does not understand the real and relative value of money, are bound to suffer the consequences of greed; they run the risk of losing it all!

You must learn to bounce back from failures and defeats. You have the character and resilience of a true survivor. It is not uncommon for a person with your Life Path to experience major reverses, including bankruptcies, financial failure, but you also have the talent and the sheer guts to make more than one fortune, and build many successful enterprises. More than most people, your failures in marriage can be extremely expensive for you.

Despite the difficulties that life presents, you will experience the satisfaction that comes from material wealth and the power that comes with it.

Business, finance, real estate, law, science (particularly history, archaeology, and physics), publishing, and the management of large institutions are among the vocational fields that suit you best. You are naturally attracted to positions of influence and leadership -- Politics, social work, and teaching are among the many other areas where your abilities can shine.

You are a good judge of character, which aids you well in attracting the right people to you.

Most 8s like large families and sometimes tend to keep others dependent longer than necessary. Although jovial in nature you are not demonstrative in showing your love and affection.

The desire for luxury and comfort is especially strong in you. Status is very important. You must be careful to avoid living above your means.

Paul, your Life Path treads that dangerous ground where power lies -- and can corrupt. You may become too self important, arrogant, and domineering, thinking that your way is the only way. This leads inevitably to isolation and conflict. The people you run the risk of hurting most are those you love, your family and friends.

Be careful of becoming stubborn, intolerant, overbearing, and impatient. These characteristics may be born early in the life of an 8 Life Path, who often learn these negative traits after suffering under a tyrannical parent or a family burdened by repressive religious or intellectual dogmas.

Those with the 8 Life Paths usually possess a strong physique, which is a symptom of their inherent strength and resiliency.

## **Joanne & Paul, Your Life Path's compatibility is 6 & 8**

The six and the eight are very compatible. You are both practical and goal-oriented people who are not afraid of responsibility. However, there are big differences in the way the six and the eight view responsibility, and even bigger differences in the way they pursue their respective goals.

Joanne's sense of responsibility is strongly focused on family and friends. Joanne will be hesitant to do anything that could endanger the comfort and lifestyle of those Joanne is committed to. Paul's sense of responsibility is committed to goals and dreams - their fulfilment is Paul's priority. Where Joanne will be very reluctant to take risks that might reflect on those Joanne cares about, Paul will not hesitate to take certain carefully calculated risks because Paul feels that, if those goals are met, the lives of everyone around will improve. Joanne is capable of working for a long time to reach a goal, but Joanne is much more grounded, Joanne will hesitate to step away from the beaten path. Paul has a sense of business and is a visionary with a practical, can-do mentality.

Interestingly, the six-and-eight combination is excellent for business partnerships. The six keeps a reign on the dreams and visions of the eight. In turn, the eight can inspire the six to aim higher and take advantage of the opportunities lying ahead. Without an eight to inspire a six, the six will likely remain confined to small dreams requiring little or no risks. Without the grounded realism of the six, an eight often gets lost between the vision and the goal. In a romantic relationship, Joanne and Paul, the numbers found in this part of the chart similarly play off each other's strengths in ways that can be very good for the relationship.

Problems can arise when one partner tries to dominate the other, which has been known to happen between a six and an eight. Joanne, your tendency to take on any burden, your willingness to sacrifice, and your need to feel secure in a relationship, can make you a victim to the somewhat authoritarian and demanding nature of Paul's eight. Sometimes, the opposite happens, and the inherit talent of Joanne's six to make others feel guilty simply by showing how much Joanne is willing to do for them can put a real damper on Paul's potentially powerful and focused energy.

Joanne and Paul, this aspect of your charts is somewhat similar to reaching a fork in the road. You have a choice between enriching and enhancing each other's strengths and talents, or frustrating your partner's opportunities. The key to maintain a balanced relationship is not to try to dominate each other.

### **EXPRESSION**

Lifelong target at which you are aiming

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or

small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. The Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By understanding your Expression number, you will come to understand your basic nature and the abilities and issues inherent in your being; you will be able to come closer to your Destiny, to the person you aim to be.

Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. Your Expression number reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

Joanne's Expression vibrates 6 and Paul's Expression vibrates 9.

Your Expression Compatibility is 6 & 9.

### **Joanne 15/6**

The 6 is the most balanced of all numbers, but also contains within itself the greatest paradoxes. It is as if opposite tendencies were tenuously poised. Because of its gift for harmonizing these opposites, you are uniquely qualified to handle and integrate contradictions within yourself. It is for this reason that 6s so frequently find themselves in the role of healers or counsellors, creating a peace between opposing points of view, or internal conflicts within the self.

Joanne, your Expression is 15/6. You are a loving and caring individual with a tendency to put the needs of others before those of yourself. You are responsible and trustworthy with a high regard for justice and honesty. Duty will follow you all your life and sometimes feel a little too much of a burden.

You are artistic. Harmony and beauty are high on your list of priorities. You have musical talent but the creative talents of a 6 are sometimes left undeveloped or suppressed as a result of your tendency to sacrifice your time and pleasure to the service of others. You are highly creative in all areas of life, particularly the visual. You are also a talented business person and can work methodically toward the realization of your goals.

You have a natural gift with flowers, gardens, and animals. Your love of children has caused numerologists to dub you the "Cosmic Mother or Cosmic Father". The very shape of the 6 resembles and symbolizes "Pregnant with Love".

You are a natural counsellor and healer. But you must be careful not to interfere with the freedom of others. You are recognized as an idealist, mainly regarding marriage, friendships and humanity.

While you can be very idealistic, there may also be a temptation to acquire beautiful objects by improper means. You must also guard against other meddlesome behaviour and domestic tyranny, or always having to have your own way in a family dispute.

Conversely, you have it within yourself to understand another person's dilemma and come up with a creative solution. Your natural ability to give comfort and warmth can smooth over hurt feelings like a healing balm. You attract love and appreciation and you give the same in return.

You make an outstanding teacher (especially young children or special education), healer, counsellor social worker, psychologist, artist, designer, gardener, florist, and farmer. You can be successful in business, especially those that involve dealing with people.

## **Paul 18/9**

The number 9 indicates the completion of a cycle or a block of learning. The 9 Expression suggests that you have reached the point where a breakthrough can occur; during this lifetime you can apply all that you have learned along your evolutionary path and complete a major stage in your development. This is why we find many geniuses with the 9 Expression.

Paul, your Expression is 18/9, you are the humanitarian. You are attracted to a cause or a movement whose purpose is to make a better world. You are extremely idealistic, sometimes to the point of being naive about people or methods. You have great compassion and seek to create a more humane society. You are drawn to those who suffer physically or are at the hand of injustice. You are the righter of wrongs. Your deepest intention is to transform the world.

You are willing to sacrifice in order to advance your cause. Indeed, this seems to be a theme in your life. From time to time, you find yourself involved in a project whose very life depends upon your willingness to sacrifice something that relates directly to your ego.

You are highly idealistic. You are also a visionary, with the ability to influence and direct the masses. Deep inside, you long for the love and approval of the many, and seek fame.

Part of your hunger for fame has to do with your need for validation; you are your own harshest critic.

Paul, you realize your greatest satisfaction when you are involved in some activity that directly benefits the public good. Politics, law, protection of the environment, teaching, and healing are areas in which you would succeed.

You have a broad view of humanity and are not shackled with prejudice. You should have friends and associates from all walks of life, all colours and religious backgrounds. People fascinate and enrich you. A wide diversity of people and experiences stimulate and bring forth qualities within you that would otherwise lay dormant.

You have an abundance of artistic talent. Many with your Expression number find themselves in the arts, especially in literature, painting, and the visual and performing arts.

You have the ability to synthesize many diverse bits of knowledge into a unified whole.

Paul, your appearance is important. You are keenly aware of how others perceive you. As a result, others see you as a person with a great deal of control. Conversely, you are charismatic. Despite the cool and distant personality you project, people are attracted to you.

You tend to express your love somewhat impersonally. You tend to be preoccupied with your vision or cause, and sometimes overlook the needs of those closest to you. You need to be reminded to give your love more personally and more openly. Ironically, you are a very loving and sincere person, but often neglect to express what you truly feel.

In the same way, you can overlook your own needs. You can avoid sharing of your deeper feelings, creating a reservoir of emotion. You tend to postpone your personal satisfaction in favour of some larger work. Try to be more spontaneous and courageous about showing your real self, including your vulnerability.

Your basic belief in the goodness of humanity is unshakable. This causes you to encourage the best in people, but occasionally makes you vulnerable to being taken advantage of. You are not a very good judge of character.

The surest way to personal satisfaction is for you to become part of some larger social cause. Your nature is to serve. You are happiest when you feel you are helping to advance the human race.

### **Joanne & Paul, Your Expression's compatibility is 6 & 9**

Joanne and Paul, all numbers dividable by three have several things in common. First and foremost, all these numbers respond to the physical, emotional and spiritual needs of others. In the case of a six, this is expressed mainly towards those in the immediate circle: family and friends. In the case of the nine, it is directed more towards people at large - pretty much all of mankind.

When a six and a nine are found between romantic partners in this part of the chart, compatibility is very good. Both of you, Joanne and Paul are self-sacrificing, giving and caring people. Joanne is more practical, Paul more idealistic, but your motivations are similar.

Another aspect you have in common is your creativity and your eye for beauty, which, contrary to what might be expected, is pretty often a source of trouble for the six-and-nine combination. Joanne and Paul, sometimes you will see eye to eye when it comes to decorating, but often you won't. And since you are both opinionated in this matter, in order to prevent unnecessary arguments, what you should do is to give and to take a little, something you are both quite capable of doing.

Another talent or trait you share is a sense of justice. The six and the nine are both strongly affected by a sense of right and wrong that can be very powerful - sometimes to the extent that they get involved in politics or become activists. Unless you happen to be on opposite ends of the political spectrum, this trait can further strengthen your bond.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

The six and the nine, Joanne and Paul, are highly compatible. However, there are some areas where you may find yourself clashing if certain negative traits are allowed to grow. Although this is not common, a warning might be in place.

The nine, Paul, with its idealistic and self-sacrificing nature, can also be arrogant and self-righteous. Recognizing the relative value of one's concepts and ideas is not a strong point with the nine. Paul, with your innate sense of justice, you may have recognized a tendency in yourself to put down those who don't see things the same way as you do. Especially when combined with strong religious dogmas, the nine can become a negative influence on others, sometimes ruining a relationship - even with the most devoted partner. If you have found yourself in that corner, Paul, you would do well to realize that what we believe and what we think is just that, a thought, a concept, the truth as we see it. Always keep in mind that our perspective, no matter how enlightened, is still limited. Knowing that, we will be able to be compassionate and tolerant towards others. The nine, as you have read in the previous chapters, is the least prejudiced of all numbers, but as with all human traits, its dark side tends to be the direct opposite of the light side.

Although the most loving of all numbers, Joanne's six has a dark side as well, and a dark side that can be nasty indeed. The six can become intolerant and angry, often

without a clear cause. The irritation and anger seem just to sit there, inside, waiting for an opportunity to break out, without rhyme or reason.

Joanne and Paul, the negative sides of either the six or the nine are rarely displayed, but you will need to watch out for them in order to prevent them from spoiling what is most certainly one of the best number combinations around.

## **HEART'S DESIRE** **Your true motivation**

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

Joanne's Heart's Desire vibrates 8 and Paul's Heart's Desire vibrates 4.

Your Expression Compatibility is 8 & 4.

### **Joanne**

#### **8**

Joanne, your task in life is to learn to use power in refined and elevated ways. The expression and use of power is directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

Joanne, you want success in its fullest meaning -- wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards.

You are a visionary. You see the horizon and the promise. In general, you also see the methods necessary to fulfil that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture. Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

You have a creative mind and an unusual approach to business and problem-solving.

You need to cultivate your ability to evaluate others.

It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love.

Perspective is everything for you. You have a natural talent for balancing the spiritual and material planes.

Joanne, you need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true survivor, able to bounce back and achieve a greater victory.

## **Paul 13/4**

Work is central to your life, but you may have a tendency to overdo it; you can easily become a workaholic if you're not careful. You have a great deal of energy and can accomplish a lot.

You like to live a stable, well organized life. You dislike sudden changes. You prefer orderliness in all things. You have a systematic mind that is reflected in everything you do. You can establish and maintain a routine. You are exacting with details and quite thorough.

You like to carefully analyze a problem and then tackle it in a logical and practical approach. You want to be dependable, a rock of strength and an example of discipline for others.

You want a family and you are a good parent. You may carry the discipline and the need for orderliness too far, especially in your family, making children and spouse feel oppressed and limited. Flexibility is your key to harmony and balance in life. For you,

structure is more important than freedom, which you tend to interpret as chaos. But others do not have your need for well defined systems; in fact, they may feel deeply inhibited and uncomfortable with it. The peace you get from orderliness may represent a prison to someone else.

Paul, you need and want much love, but you are not very demonstrative. You can be a little rigid and stubborn.

You are honest and unpretentious. You detest liars and affectations.

You are very determined and tenacious. You are the bedrock of any enterprise. You have the courage to go into the very centre of a problem and come up with a solution. Try not to lose sight of the larger picture and dream while you plumb the depths of the bottom line.

### **Joanne & Paul, Your Heart's Desire's compatibility is 8 & 4**

This is an excellent combination of numbers, not only in romance, but also in business. The four and the eight are like the gears in an engine. They connect perfectly and increase each other's torque. By joining their forces, they triple or quadruple their output. This is considered the best possible blending of archetypes for a business. Paul delivers the persistence, determination, dependability, and methodical approach required to reaching any set goal, while Joanne, the visionary, brings in the conviction that no dream is unattainable.

Fortunately, a similar synergy exists in romance as well. Although the four and the eight are different in many ways, they respect each other and recognize each other's value. Together, they are able to create a wonderful environment of trust, love and deep spiritual bonding.

Paul and Joanne, although this aspect of your charts reveals an almost perfect combination, dangers do exist, like in any other number combination. Joanne will eventually need to try something that Paul will perceive as outrageous and doomed to fail. Joanne's stubborn determination and at times authoritarian approach may very well become a major irritant in Paul's life. Paul, whenever that happens, the best approach is to simply back off. Communicate your ideas, but don't ever try too hard to persuade Joanne to give up a plan or a goal Joanne believes in. By the same token, Joanne will, at times, feel that Paul is a stick in the mud who doesn't dare to step off the beaten path. In such situations, Joanne would do well to remember that such behaviour does not mean a lack of courage on Paul's part, but simply that Paul will not waste time or take risks for something Paul doesn't believe in. In any of the situations just described, feelings of frustration may overshadow the love and respect that is the foundation of this relationship, leading to devastating results. Although rare, it is not unheard of for this combination to survive several major breakdown-reconciliation experiences, even divorce and re-marriage. The way to avoid pushing it too far is through compromise. Compromise is the key word to safeguard this excellent number combination. Sometimes, Paul, even when you know a project is doomed to fail; it may

still be worthwhile to pursue it. As for you, Joanne, your goals or ideas may be valid, yet, as you typically become more enthusiastic and motivated when Paul - or anyone else for that matter - says it is impossible, you might want to consider whether pursuing it is the smart thing to do.

## **PERSONALITY**

### **Protective mask of the real you**

Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Joanne's Personality vibrates 7 and Paul's Personality vibrates 5.  
Your Personality Compatibility is 7 & 5.

### **Joanne**

#### **25/7**

Joanne, you are hard to get to know. You are often withdrawn. It is common for people to see your focus turn inside of yourself in the middle of a conversation.

You seem mysterious and different. People see you as serious and studious. You are highly independent and self-sufficient. Your exceptional intelligence and wisdom are quickly noticed, people respect you. You are not one to attract people on the basis of your warmth or compassion -- though you may be loaded with both -- but because of your obvious insight into life's mysteries.

You have the makings of an intellectual and an aristocrat but you have to guard against arrogance and an attitude of, "I've got it all figured out".

There have been periods in your life when you had little concern for your clothing or fashion, while at other times you are very aware of your clothing and use it to make a specific impression.

You appear dignified no matter how you dress. But a well groomed seven with a touch of dash definitely has an advantage. Your confidence increases when you know you are well dressed.

Joanne, you are recognized as spiritual and religious, with your very own ideas regarding the purpose of life and the Creator.

You are an inspired speaker, but only when discussing subjects that really interest you. Otherwise, you are not one for chatter.

Your love of knowledge and wisdom appears on the grand scale.

## **Paul**

### **5**

Paul, your versatility and adaptability make you capable of getting the most out of virtually every opportunity in life. You decide quickly on a course of action and your timing is usually good. You radiate with the potential for success, which attracts others who can further you along your path.

You are a stimulating person, Paul. You brighten social gatherings with your fresh and original ideas. Your conversation tends to be sprinkled with novelty and wit.

You have a quick tongue and charisma. You are probably an excellent salesman. There is a lot of nervous energy within you looking for an outlet.

You love your freedom and you see this life as an ongoing adventure. You are upbeat and optimistic. This is infectious for those you meet. As a result, you inspire others.

You have a strong and attractive body, with good muscle tone. Your movements are supple, graceful, and athletic.

Your bane is that you love to indulge your senses with food and drink and can easily gain weight. You have an appetite for anything that stimulates the senses -- sex, food, alcohol, and drugs. Discipline is a necessity for you. The negative side of a 5 Personality Number can give rise to an addictive personality.

You like to dress fashionably and can get away with more colourful clothes. However, you should be aware of the value of quality and the power of modesty.

You are a little irresponsible and quick in satisfying your sensual urges. You are attractive and that, coupled with your innate ability to promote yourself, makes it easy for you to satisfy your desire for new and exciting relationships.

You have a kind of swashbuckling personality. People see you as the adventurer that you are. They expect the unexpected from you, and when they don't you often surprise them.

You have a quick and eclectic mind. You attract information from all directions, but you can be a bit superficial, skimming over the surface of a wide diversity of subjects.

This may cause you to be a bit of a dilettante. You can get away with it much of the time, but for your own success and happiness, you should try to ground knowledge and deepen your understanding.

### **Joanne & Paul, Your Personality's compatibility is 7 & 5**

Paul and Joanne, not only is this one of the best combinations for long-lasting relationships, but it is also a merging of archetypes that promises mental and spiritual growth for both of you.

The five and the seven fulfil each other's needs and desires in many ways, but particularly on the intellectual and spiritual planes. Many famous intellectual and artistic couples shared this combination.

Paul has a quick and flexible mind spiced with a wicked, offbeat sense of humor. The five thinks on its feet and looks right through any attempt to disguise. Among neuro-specialists there is a basic idea that, over the years, the mind tends to think according to established patterns, like water running through canyons. This may be the case with many people, but not with those who have a five in this position of the chart. They will never allow their minds to shelter any repetitive, predictable patterns. Thanks to Paul's ability to juggle ideas and concepts, Paul will always seem younger and remain more playful and quick-witted long past the time other people of Paul's age group have slowed down.

Joanne's mind is also powerful. However, Joanne's mental and spiritual faculties operate very differently from Paul's. Joanne has a dry sense of humor and a more serious mind. Joanne seeks answers to life's major questions and often spends time staring into some inner space, searching for insight and understanding. Probably not closely connected to organized religion, Joanne - nonetheless or because of this - has a strong sense of the reality of the God force. For Joanne, the mystery of life is not just some unattainable abstract concept - it is a reality. It is a major source of inspiration and a force that influences Joanne's daily life. The seven is the most spiritual of all numbers, but it is rarely found among those who have simply accepted their local religious presence. The seven asks too many questions and takes the spiritual much too serious to take anything at face value.

Joanne is spiritual in nature. For Joanne's taste, Paul may seem too flamboyant and superficial at times. By the same token, for Paul, Joanne may become too hung up on certain spiritual concepts. Paul may even see Joanne as somewhat of a zealot. It is difficult for Paul to understand how someone can become so involved in abstract concepts and philosophies, while Joanne may not be able to accept the fact that for Paul the experience of life is more important than trying to analyze it. However, the seven and the five have such a powerful positive influence on each other that this disagreement rarely appears when a seven and a five form a partnership. Paul keeps

Joanne loose and able to enjoy life also from a simpler, more direct perspective, while Joanne is able to show Paul how a deep, serious search of understanding can be immensely gratifying. Frequently, partnerships based on the five and the seven are intellectually and spiritually dynamic and last for a very long time.

## **FINAL COMMENTS ABOUT YOUR COMPATIBILITY**

What could you improve in your relationship?

### **What keeps you together?**

Your partnership is intellectually and spiritually dynamic and lasts for a very long time. It is larger and more promising than the sum of their parts.

You are an excellent combination, not only in romance, but also in business. Joanne keeps a reign on the dreams and visions of the eight. In turn, Paul can inspire Joanne to aim higher and take advantage of the opportunities lying ahead. Without this inspiration, Joanne will likely remain confined to small dreams requiring little or no risks. Without the grounded realism of Joanne, Paul often gets lost between the vision and the goal.

Your hearts are like the gears in an engine. They connect perfectly and increase each other's torque. By joining their forces, they triple or quadruple their output. This is considered the best possible blending of archetypes for a business.

Paul delivers the persistence, determination, dependability, and methodical approach required to reaching any set goal, while Joanne, the visionary, brings in the conviction that no dream is unattainable.

You, Joanne and Paul, respect each other and recognize each other's value. Together, you are able to create a wonderful environment of trust, love and deep spiritual bonding.

Both of you, Joanne and Paul are self-sacrificing, giving and caring people. Joanne is more practical, Paul more idealistic, but your motivations are similar.

What you also have in common is your creativity and your eye for beauty. Another talent or trait you share is a sense of justice. You are both strongly affected by a sense of right and wrong that can be very powerful - sometimes to the extent that you could get involved in politics or become activists.

### **Certain negative traits- some useful warnings**

It is difficult for Paul to understand how Joanne can become so involved in abstract concepts and philosophies, while Joanne may not be able to accept the fact that for Paul the experience of life is more important than trying to analyze it. However, you have such a powerful positive influence on each other that this disagreement rarely appears.

Joanne could sometimes need to try something that Paul will perceive as outrageous and doomed to fail. Joanne's stubborn determination and at times authoritarian approach may very well become a major irritant in Paul's life. Paul, whenever that

happens, the best approach is to simply back off. Communicate your ideas, but don't ever try too hard to persuade Joanne to give up a plan or a goal Joanne believes in. By the same token, Joanne will, at times, feel that Paul is a stick in the mud who doesn't dare to step off the beaten path. In such situations, Joanne would do well to remember that such behaviour does not mean a lack of courage on Paul's part, but simply that Paul will not waste time or take risks for something Paul doesn't believe in. In any of the situations just described, feelings of frustration may overshadow the love and respect that is the foundation of this relationship, leading to devastating results. Although rare, it is not unheard of for this combination to survive several major breakdown-reconciliation experiences, even divorce and re-marriage. The way to avoid pushing it too far is through compromise. Compromise is the key word to safeguard this excellent number combination. Sometimes, Paul, even when you know a project is doomed to fail; it may still be worthwhile to pursue it. As for you, Joanne, your goals or ideas may be valid, yet, as you typically become more enthusiastic and motivated when Paul - or anyone else for that matter - says it is impossible, you might want to consider whether pursuing it is the smart thing to do.

Although Joanne and Paul are highly compatible, there are some areas where you may find yourself clashing if certain negative traits are allowed to grow. Although this is not common, a warning might be in place.

With its idealistic and self-sacrificing nature Paul can also be arrogant and self-righteous. Recognizing the relative value of one's concepts and ideas is not a strong point with the Paul. Paul, with your innate sense of justice, you may have recognized a tendency in yourself to put down those who don't see things the same way as you do. Especially when combined with strong religious dogmas, the nine can become a negative influence on others, sometimes ruining a relationship - even with the most devoted partner. If you have found yourself in that corner, Paul, you would do well to realize that what we believe and what we think is just that, a thought, a concept, the truth as we see it. Always keep in mind that our perspective, no matter how enlightened, is still limited. Knowing that, we will be able to be compassionate and tolerant towards others.

Joanne has a dark side as well, and a dark side that can be nasty indeed. She can become intolerant and angry, often without a clear cause. The irritation and anger seem just to sit there, inside, waiting for an opportunity to break out, without rhyme or reason. Joanne and Paul, the negative sides of you are rarely displayed, but you will need to watch out for them in order to prevent them from spoiling what is most certainly one of the best number combinations.

### **Here comes the answer on the personal question**

\*

Joanne and Paul, I hope you enjoyed your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.
