INTRODUCTION

The alchemy of your lives

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

It is also important to keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and

recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

If some compatibility aspect of the chart is already included in other parts of this report, this is done as the repeating certain traits would place much emphasis on them.

Master numbers are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented

This reading is based on your date of birth. Please check your birth data on the below to make sure the date of birth used is correct.

PERSONAL YEARS

The trends and circumstances you will experience during the year

In Numerology, 9 is the length of all cycles. We each have a Personal Year cycle. It indicates where you are on the 9 year Epicycle.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process.

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date. They are normally included in the personal forecast report, but not in the relationship forecast, as for the relationship compatibility they are less relevant.

Joanne's Personal Year for 2004 is 8 and Paul's personal yera for 2004 is 6.

Joanne

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and , depending upon the effort you put out in the past seven years , your reward will be equally large. There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself more clear and focused and able to pursue and reach your goals. Your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused. There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Paul

6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges.

This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heart felt emotions and some sacrifice. It is a time for comforting and caring.

You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

These deep feelings bring renewal to relationships and often a birth in the family.

**Joanne & Paul,
Your Personal Year's compatibility for 2004 is 8 & 6**

Although quite different, these cycles are nonetheless very compatible. Both of you, Paul and Joanne, will experience progress in career and other worldly matters. Joanne and Paul, this can turn out to be an excellent time that may well bring a financial windfall.

On a more personal level, you are also more involved with each other, albeit in very different ways. For Paul, it is simply a matter of the heart. Paul feels strongly committed and wants nothing more than to make Joanne happy. For Joanne, there is some awakening of leadership spirit and ambition, even within the relationship. And here is where we may encounter a possible pitfall. Joanne, your tact and diplomacy are not particularly enhanced right now. You are taking more control of your life, but you have to be careful not to try and take control of the lives of those you care about, including, of course, Paul's life. It is easy to see how that can become a source of friction: Paul needs your love, not your leadership. Focus your ambition on other things and allow your heart, not your mind, to control your relationship.

**PERSONAL MONTHS
Short and temporary effect of monthly cycle**

Relationship compatibility of Personal Month cycles can have a powerful effect. But, the cycle is short. So, it helps to remember that it is in the nature of a cycle to be only temporary.

The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the

compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

January 2004

Joanne's Personal Month for January 2004 vibrates 9 and Paul's Personal Month for January 2004 vibrates 7.

Joanne

9

January is a 9 Personal Month in an 8 Personal Year. It marks a period of completion. You have gone through a spiritual growth cycle that resulted in a better understanding of yourself. You have gained much insight.

Now you are entering a time when spiritual understanding must merge with the practical and material side of life. You are moving from a 7 Personal Year, which was dominated by spiritual growth, into an 8 Personal Year, which is focused on the material aspects of your life. This may throw you a little off balance. The year begins with some confusion and self-doubt.

Often, there is financial stress. You need to apply yourself to your career and other worldly matters. This is the year of harvesting your rewards, but before that happens, you need to prepare yourself, to regain your footing.

Now you must become more aggressive and ambitious. January requires effort. It also requires a letting go of outdated and outgrown concepts, habits, and relationships.

For that reason, January tends to be emotional and somewhat insecure. However, you will soon pick up momentum, and your personal power increases.

Romantic and love-relationships experience some stresses. You are somewhat distant and aloof, which may make your partner feel left out. Spend some time reassuring your mate.

Paul

7

January is a 7 Personal Month in a 6 Personal Year and brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet.

If you are involved in legal affairs or have wanted to take care of something that involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during this month. Tolerance and

forgiveness will not come naturally and you could be a little self-righteous. Try to be more flexible.

**Joanne & Paul,
Your Personal Month's compatibility for January 2004 is 9 and 7**

Paul and Joanne, you may feel somewhat distant from each other during this period. You are both experiencing a lot of emotions that are not easily understood or explained. Although you share the need to be more inward focused than usual, the reasons are quite different. Paul, in what is at least in part a subconscious effort, is seeking understanding and clarity. Paul is on a path of increased self-awareness and spiritual growth. Joanne is also influenced by energies that focus inward, but on a more practical and emotional level. Some hovering insecurity may cause Joanne to feel less confident than usual. There are doubts and questions in Joanne's life, but they are different in nature from Paul's. Joanne's turmoil is largely emotional.

There is a big difference in the way this internal search for understanding is experienced. Paul, strange as it may sound, actually feels strong and capable. Joanne, on the other hand, feels vulnerable. Joanne needs you right now, Paul. Joanne doesn't per se expect any answers from you, but you can be a much-needed source of strength. For both of you, this is a learning cycle. And you will certainly come out spiritually and emotionally stronger.

February 2004

Joanne's Personal Month for February 2004 vibrates 1 and Paul's Personal Month for February 2004 vibrates 8.

Joanne

1

February is a 1 Personal Month in an 8 Personal Year. Now things begin to speed up. Unlike last month, you now feel full of energy and enthusiasm. In fact, you're impatient to start new projects, and must guard against impulsive decisions.

Your career and financial affairs are the areas of your life that require the most attention. There are great opportunities as well as potential dangers. This is the year marked by opposites: times when everything seems to go your way, and other times when it seems the rug has been pulled out from under you. February gives the first indication of what this year will bring but, more important, it challenges you to put your best foot forward, to show what you are made of.

The month may begin with a challenge. You may have to confront one of your biggest fears, which is followed by an opportunity to put that fear to rest once and

for all. Courage, determination, and inner strength are the needed ingredients that will make this a successful month and a profitable year. The year can be characterized by the old carrot-and-stick metaphor: February reveals the carrot -- the prize you can obtain -- but it also shows the pitfalls and dangers; in short, the stick.

Relationships are favorable in all areas of your life. Co-workers show support, friends tell you how much they admire you, relatives make it clear they have confidence in you, and your lover makes you feel you deserve the best.

Paul 8

February is an 8 Personal Month in a 6 Personal Year and may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger but superficial ones will break down.

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

Joanne & Paul, Your Personal Month's compatibility for February 2004 is 1 and 8

The one and eight is an excellent combination to inspire both of you to get busy. Joanne is pushing towards goals and Paul is discovering goals. The two of you are treading on a path of progress and financial improvement, although there may be some danger involved for Paul, who should be very careful and suspicious of any get-rich-quick schemes.

The gap between the cycles is considerable and has to do with your different spiritual paths. This will become particularly clear during this period and may cause some problems in the relationship. Much of it is superficial and a helpful bit of advice is to just ignore it. Sometimes, in order to maintain a healthy, strong relationship, you need to talk about your differences. There are instances though, when it is better to just avoid the subject and accept the fact that you love each

other but are two different people with different experiences. This is a time to ignore the differences and just enjoy each other's company. Both of you, Joanne and Paul, are going through cycles that strengthen your position on the material plane, and during their span, your best approach is to focus on that. As to your intellectual and spiritual differences, you will be better off if you don't disturb sleeping dogs.

March

Joanne's Personal Month for March 2004 vibrates 2 and Paul's Personal Month for March 2004 vibrates 9.

Joanne

2

March is a 2 Personal Month in an 8 Personal Year. The month demonstrates how you can sometimes make more progress and be more successful by staying in the background than by forcing the issue. March gives you ample opportunity to influence others, to make them listen to your ideas, even to inspire them to do things your way. You are tactful and sensitive, yet also driven and motivated. You find better ways to handle challenging situations.

Later this month, you gain respect and recognition and will find yourself taking on a leadership role. Your authority is impressive because you balance force and strength with diplomacy and tact.

Romance is favorable and, if you are single, you may meet someone through work or a business meeting who will touch your heart.

Paul

9

March is a 9 Personal Month in a 6 Personal Year and is often emotional because you may have to let go of someone close to you.

You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment. People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

Joanne & Paul,

Your Personal Month's compatibility for March 2004 is 2 and 9

Joanne and Paul, this is a time when you will be able to recognize whether the relationship is founded on real substance. You are both experiencing a time when emotional forces seem to rule. Joanne is somewhat self-absorbed and emotional about pretty much everything. Vulnerable and sensitive, Joanne is also more aware and finely tuned to recognize what is real and what is not. In order for the heart to see more clearly, some protective layers have to be dismantled. This is exactly what is going on with Joanne in regards to the relationship. While the heart is seeking truth and clarity, it is also more exposed and vulnerable.

For Paul, a different but no less emotionally charged period is reflected in the nine. Paul is also searching for answers, but the question is not so much connected to the relationship as to Paul, the human being. Paul is facing a crossroads and not sure about which way to turn.

This is a very important time for Paul, a time during which Paul experiences ups and downs like a roller coaster. A time of growth and choice.

Joanne and Paul, you are two people going through different emotional and spiritual changes. You will be able to support each other only in the most basic sense; you can give each other love.

If the relationship has real substance, you will get through this time with flying colors. If the relationship does not have real substance, you will both know that by the end of this period.

April

Joanne's Personal Month for April 2004 vibrates 3 and Paul's Personal Month for April 2004 vibrates 1.

Joanne

3

April is a 3 Personal Month in an 8 Personal Year. The events inspire creativity and optimism, as well as a need for flexibility and adaptability. Sometimes, the early part of an 8 Personal Year brings financial challenges and problems. If this is the case, April is the most challenging time of the year.

It is a testing time that forces you to confront your lifestyle and your priorities. With the right adjustments, you can put yourself on sounder financial ground.

The month also encourages a certain detachment from trying to control financial matters too much. Once you stop controlling matters too much, your spiritual understanding of life really pays off in a practical and applicable way.

Last year's opportunities to contemplate and search for insight -- which may have seemed unproductive at times -- now prove to be your best defense on the battle ground of material progress. You are being forced to achieve a balance between the spiritual and the material, especially this month.

In any case, April will reveal to you how capable you are of doing that. Be generous but don't waste money. Focus on getting things done, but don't let financial reward be your only motivation. Introduce creativity and a playful attitude to the job at hand. And most important; don't let temporary setbacks ruin your ambition. This is a time to reach out, not to suppress.

Romance and relationships continue to be favorable. Social events bring new people. Your self-expression and sense of humor improve, and it is easy to make new friends during this time.

Paul

1

April is a 1 Personal Month in a 6 Personal Year and brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life.

Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9 year cycle.

Joanne & Paul,

Your Personal Month's compatibility for April 2004 is 3 and 1

Paul and Joanne, not only is this one of the most compatible cycles but it also shows that your cycles are usually compatible in nature. A gap of two will always be maintained, which, as a rule of thumb, is a good sign. Next time, your cycles will be two and four, the period after that three and five, and so forth.

For this period, Paul, you are like someone who just awoke from a long rest, had a cup of coffee, and are now rearing to go. Your energy level is high. You feel strong and capable and don't want to be held back by anyone or anything. Joanne also experiences a dynamic time, but with less focus and more play. Joanne's energy is more directed towards creativity, self-expression and relaxation.

The only possible discordance with this combination of cycles usually lies in Paul's perception of Joanne's behavior as lacking responsibility. Joanne is not in the mood to take anything very serious, which may become a source of irritation for Paul. Paul, you need to accept the fact that this period represents somewhat of a break – as matter of fact, a necessary break - for Joanne.

May

Joanne's Personal Month for May 2004 vibrates 4 and Paul's Personal Month for May 2004 vibrates 2.

Joanne

4

May is a 4 Personal Month in an 8 Personal Year. It is a time of hard work, progress, and opportunity. As with most of this year, the focus in May is on career and finances. There may well be a great opportunity that comes your way. This opportunity offers all kinds of changes, such as a move of residence (either in June, or in or around November), a change of employer, or a promotion.

The early part of May can be frustrating due to the need to involve yourself with routine affairs and details. You have some catching up to do. You may feel restless and bored. However, later this month brings the opportunity you have been waiting for. You are more organized and manage your time well.

You are dependable and anxious to take care of some long-postponed chores. You may decide to start a remodeling project on your house. Your relationships are more harmonious.

If you are involved in a long-term love relationship, you will find that comfort and security replace some old doubts.

Paul

2

May is a 2 Personal Month in a 6 Personal Year and focuses on harmony and diplomacy in all relationships, including the work-environment. You are more sensitive and aware of the feelings of others than you were last month and you will be called upon to use those abilities. You will find yourself in the role of mediator/peacemaker in order to maintain harmony in the work place. Become a hard-nosed yet diplomatic negotiator. Find a balance between tact and sensitivity on one hand, and persistence and conviction on the other.

You will be able to meet these challenges and will come through with flying colors. Financial rewards will come. Keep things organized and take care of details or else you may find yourself in chaos by the end of this month. If you are involved in a legal tangle, and quite a few people in this stage of their Personal Rhythm Cycle are, you will gain some ground and find good reasons to be optimistic.

Romance is highly favored now, especially for new relationships.

Joanne & Paul
Your Personal Month's compatibility for May 2004 is 4 and 2

For Paul, a time of growth as a result of networking, meeting people in relation to work or business, and consolidating plans. For Joanne, a time of hard work, focus, and probably a fair amount of frustration. For both of you, Paul and Joanne, the focal point should be career, work, your plans, and your future.

The relationship is not much of an issue. It is possible that you will experience times when you don't seem to communicate much or share as much time together as usual. You may even feel that you are pulling away from each other. Don't worry. It is simply a matter of not being able to be in two places at the same time. This, however, is only one side of the coin. On a more subtle plane, it is almost as if the opposite takes place. Because for Joanne this is also a time of finding stability and comfort. Of placing things where they belong and establishing boundaries and territories. While for Paul the heart rules and emotions are strongly felt and quickly displayed. This means that you complement each other. While Joanne works on the practical aspects of your relationship, Paul energizes the relationship on a deeper level. You could say that during this time, Joanne works on the home and Paul works on the heart.

June

Joanne's Personal Month for June 2004 vibrates 5 and Paul's Personal Month for June 2004 vibrates 3.

Joanne

5

June is a 5 Personal Month in an 8 Personal Years. It brings changes and unexpected events. There isn't much use in planning too much this month, because much will happen unexpectedly. This is a hectic and dynamic month. Go with the flow; be flexible; and trust your instinct.

If you are able to adapt to the unpredictable events of this month, your experience will be exciting and adventurous, and quite possibly profitable. However, if you insist stubbornly to stick to your plans and expectations, you will be disappointed.

You are in a position to show your special talents and abilities to people who can be influential in your career.

You are able to think on your feet and your reflexes are sharp. This time is particularly good for those who are in retail, real estate, or some other business that's based on sales and closing deals. Financial gains are often considerable.

Travel is possible and favorable. This is also a good time to move, or change your environment in some way.

Romance is very exciting and, if you are single, you will have to hide out to keep from meeting someone. People gravitate to you and the opposite sex is more than usually attracted to you.

Paul
3

June is a 3 Personal Month in a 6 Personal Year and an excellent time to give yourself a break. Take some time off. Enjoy yourself. Don't be too serious. This is a time of enhanced creativity and originality. Become involved in playful activities. Participate in social events. You will meet new people who offer a welcome change to the routine aspects of your life.

Your career may seem unpredictable now but will be much better next month. "Luck" in financial affairs is likely now. Romance is also favorable.

The emphasize of this month is on fun and leisure. Enjoy.

Joanne & Paul,

Your Personal Month's compatibility for June 2004 is 5 and 3

This is one of the most compatible combinations of cycles, Paul and Joanne. You are both experiencing a time of enhanced energy and dynamic growth. Within the contexts of your relationship, you are able to communicate well, enjoy each other's company, and play off each other's energy. Lower blood pressure and less stress bring more flexibility to the body and to the mind, which explains why this is considered a cycle of healing.

There is little negative to say about this combination of cycles, except for the inherit danger of having too much fun. Quite often, the three as well as the five draw elements of danger in their search for new and exciting experiences, which does not go unnoticed to those around you. You will have to be careful not to draw into your circle people whose influence is less than desirable.

July

Joanne's Personal Month for July 2004 vibrates 6 and Paul's Personal Month for July 2004 vibrates 4.

Joanne
6

July is a 6 Personal Month in an 8 Personal Year. It is an excellent time for business and financial affairs. Respect and recognition for past efforts is followed by financial gain or promotion. You are in a position to ask and receive what you believe to be your due. However, you may find that you are not as diplomatic as

you might be. This is your most challenging weakness during this month. Guard against arrogance. Your responsibilities increase possibly as a result of a promotion.

Family affairs, friendships, and romance also move to the foreground and are rewarding and healing. You will be asked to sacrifice some of your time and energy to a younger person or someone who is old or sick. You feel closer to the people around you and you want to be there for them.

Somewhat contradicting to this show of warmth and affection is the lack of tact and sensitivity you may display a number of times during this month. You may be too intent on forcing people to see life as you do, rather than allowing them their own perspectives and their own rates of growth.

The later part of this month brings changes that arise from a chance meeting at a social event. This change may be based on a romantic encounter, and may affect your living situation.

An unexpected travel is also a possibility.

Paul

4

July is a 4 Personal Month in a 6 Personal Year and it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Be patient and apply yourself to routine and details diligently. Organize your personal life and your career. Tie up loose ends. Start projects that will improve your living situation such as repairing the house or starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed and commitments made.

Joanne & Paul,

Your Personal Month's compatibility for July 2004 is 6 and 4

Paul and Joanne, the combination of cycles you are now undergoing offers a number of opportunities for you to improve the quality of all aspects of your life. You complement each other very well. It is a time of shared effort with Paul focusing on the practical aspects and Joanne on the heart and health of the relationship. Paul and Joanne, your energies are in line and enhance all the good qualities found in the four and the six. You will experience progress as well as financial growth, and will also manage to play a larger role in the community around you. You may even find yourself combining your forces to reach common goals. Very few negative influences may come from this combination of cycles.

Even a tendency for Paul to become irritated - perhaps even angry - a little quicker during a four cycle is easily lessened by Joanne's ability to reach out and comfort Paul.

August

Joanne's Personal Month for August 2004 vibrates 7 and Paul's Personal Month for August is 5.

Joanne

7

August is a 7 Personal Month in an 8 Personal Year. The emphasis changes from outgoing to inward seeking. You are more serious now and self-reflective. You question the wisdom of some of your decisions and choices made during the past ten to twelve months. You keep to yourself, and are generally less social.

You are engrossed in your work and feel a need to do a better job. Your desire for perfectionism is strongly enhanced, which results in self-criticism and impatience with others. At the root of this change in attitude is a spiritual need for clarity and understanding. You want more security, both internally, as well as in your more worldly roles. You would do well spending some time alone for contemplation and meditation. In this respect, August stands out during this otherwise "material" year.

Family and friends take a backseat during this period. There are strong feelings connected to your relationships with your loved ones, but these are experienced and expressed more subtly.

Romance becomes more serious. You share mental, spiritual, and emotional experiences on the deepest level. There is no room for superficial exchanges. Your relationship with the person you are attracted to intensifies and becomes stronger as a result.

August is a 5 Personal Month in a 6 Personal Year and brings some changes in work and your personal life. It is a dynamic time and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence.

If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. Your friends and family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

Joanne & Paul,

Your Personal Month's compatibility for August 2004 is 7 and 5

Paul and Joanne, this is one of the most healing and loving cycles you can experience. The five and the seven are very different, but they get along extremely well.

Paul is undergoing a time of changes and dynamic energy. Joanne, you are a bit more withdrawn than usual because your focus is on your inner life: who you are and where you are going. Although the cycles tend to influence you very differently -- outward for Paul, inward for Joanne -- these energies thrive on each other. Joanne, your desire, consciously or subconsciously, to understand better who you are and where you want to go, as well as the fact that you are more quiet and subdued, creates somewhat of an aura of mystery around you. This is very attractive to Paul, in particular during this time when nothing else seems subtle and mysterious. Paul's charged energy and inspiring attitude has a powerful and positive effect on Joanne, for whom this is like a lifeline to the "real" world. A mistake people in Paul's position sometimes make, however, is to view their partner's quietness to mean that something is wrong. Don't make that mistake, Paul. The one thing people in a seven period don't want is for someone else to try to draw them out of that quiet space. Joanne would probably experience that as annoying and intrusive. Just be together. That is all it takes to make this a wonderful time of closeness and deeply felt appreciation.

September

Joanne's Personal Month for September 2004 vibrates 8 and Paul's Personal Month for September 2004 vibrates 6.

Joanne

8

September is an 8 Personal Month in an 8 Personal Year for you. This is a month with great potential for your career and finances, especially to increase your finances for the long-term.

It is a time to be aggressive and outspoken. Your authority is needed and you will have to apply yourself one hundred percent. However, there is another side to

this month. You may feel that you have reached the pinnacle of your career, or that work and other areas of your life have become dull and monotonous. You may feel you need a break.

You are approaching a time of deep inner change. Several times during your life you have reached a point at which you need to break out of a cocoon. All evolution is gradual, but periodically interrupted by sudden bursts of growth, or change.

You are at a stage in your life when you feel ready for such a change. However, you are not clear about the true nature of this change and, while you may feel inspired to force some practical changes now, you should approach this with care. Avoid impulsive decisions as well as any contractual arrangement that would tie you down for a long time.

You need to rely on your own strength and feel confident that you have a certain amount of control over your own future. You should relax and let things develop at their own pace.

Social events are highly favorable and there will be ample opportunity for that.

Paul

6

September is a 6 Personal Month in a 6 Personal Year and forces you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground.

Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

Joanne & Paul,

Your Personal Month's compatibility for September 2004 is 8 and 6

Joanne and Paul, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

October

Joanne's Personal Month for October 2004 vibrates 9 and Paul's Personal Month for October 2004 vibrates 7.

Joanne

9

October is a 9 Personal Month in an 8 Personal Year. It marks the beginning of the end of a certain era in your life.

Now you begin to let go of certain expectations you have long held. There is a feeling of emptiness, and of "what now?" The time has not yet come to respond to these feelings in a practical way. Now is the time to begin to become comfortable with the need to change. The changes contemplated involve both personal and professional life.

For these reasons, October could become an emotional time. Some melodrama and role playing is actually a subconscious way for you to test the people around you, and the depth of their commitment. You are also testing your own position towards people, career, environment, spiritual beliefs, and other aspects of your life. You have, even if you are not aware of it, already begun the process of selecting what you want to remain in your life and what you want to discard.

This process, which will continue through different stages over the next years, is natural, and nothing to be afraid of. You are entering a period of reawakening. This means a letting go of some of the comfort and security that surrounded and protected you for many years.

Start giving some of your energy to a good cause that benefits others. Ultimately, it will benefit you. It takes the spotlight of your doubts and questions, and gives you strength and confidence.

For October, practical matters can be handled with ease. It is much better to pay off debts than to incur new ones. Completion is favored over new starts. It is a time to tie up loose ends, not so much to begin new projects. It is a time to clean up and prepare for new things coming into your life.

You are not in the right mood to pay much attention to romance or personal relationships of any kind, unless it's to test the strength of the relationship.

You may be a little judgmental and self-righteous and will need to guard yourself against this sort of thing.

Paul

7

October is a 7 Personal Month in a 6 Personal Year. Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now,

give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

**Joanne & Paul,
Your Personal Month's compatibility for October 2004 is 9 and 7**

Paul and Joanne, you may feel somewhat distant from each other during this period. You are both experiencing a lot of emotions that are not easily understood or explained. Although you share the need to be more inward focused than usual, the reasons are quite different. Paul, in what is at least in part a subconscious effort, is seeking understanding and clarity. Paul is on a path of increased self-awareness and spiritual growth. Joanne is also influenced by energies that focus inward, but on a more practical and emotional level. Some hovering insecurity may cause Joanne to feel less confident than usual. There are doubts and questions in Joanne's life, but they are different in nature from Paul's. Joanne's turmoil is largely emotional.

There is a big difference in the way this internal search for understanding is experienced. Paul, strange as it may sound, actually feels strong and capable. Joanne, on the other hand, feels vulnerable. Joanne needs you right now, Paul. Joanne doesn't per se expect any answers from you, but you can be a much-needed source of strength. For both of you, this is a learning cycle. And you will certainly come out spiritually and emotionally stronger.

November

Joanne's Personal Month for November 2004 vibrates 1 and Paul's Personal Month for November 2004 vibrates 8.

Joanne

1

November is a 1 Personal Month in an 8 Personal Year. It brings confidence, independence, and individuality. Now, you are driven to take up new challenges,

tackle new projects, and get a firm grip on your life. You have energy to spare and you use this to inspire and motivate others.

You feel that there is nothing you can't deal with. You are ambitious and result-oriented. You receive an opportunity that will have long-ranging effects on your life. You are confident, but also a bit stubborn and hardheaded. You are direct and not as sensitive to other people's feelings as usual.

This is a good time for business and finances. It is a time to be decisive and adventurous, not a time to be conservative. Courage and originality are key ingredients needed to take full advantage of this cycle. You are more stable and outgoing in your personal life, much to the delight of friends and relatives.

You are also generous and inspiring, but not in the mood to deal with the petty stuff. You are a little impatient.

Romance may prove to be the most challenging aspect of this period. The chances of meeting someone are good, but your approach may be too aggressive and lacking in sensitivity.

If you are married, or otherwise committed, a small warning: not everyone is on the high curve of his/her cycle, so be patient.

Paul

8

November is an 8 Personal Month in a 6 Personal Year and is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs. As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, this month may bring bad news.

This is a good time to straighten out financial dealings you may have with friends or relatives as well.

This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

Joanne & Paul,

Your Personal Month's compatibility for November 2004 is 1 and 8

The one and eight is an excellent combination to inspire both of you to get busy. Joanne is pushing towards goals and Paul is discovering goals. The two of you are treading on a path of progress and financial improvement, although there may be some danger involved for Paul, who should be very careful and suspicious of any get-rich-quick schemes.

The gap between the cycles is considerable and has to do with your different spiritual paths. This will become particularly clear during this period and may cause some problems in the relationship. Much of it is superficial and a helpful bit of advice is to just ignore it. Sometimes, in order to maintain a healthy, strong relationship, you need to talk about your differences. There are instances though, when it is better to just avoid the subject and accept the fact that you love each other but are two different people with different experiences. This is a time to ignore the differences and just enjoy each other's company.

Both of you, Joanne and Paul, are going through cycles that strengthen your position on the material plane, and during their span, your best approach is to focus on that. As to your intellectual and spiritual differences, you will be better off if you don't disturb sleeping dogs.

December

Joanne's Personal Month for December 2004 vibrates 2 and Paul's Personal Month for December 2004 vibrates 9.

Joanne

2

December is a 2 Personal Month in an 8 Personal Year and shifts the focus to relationships and all affairs of the heart.

Co-workers are demanding, not only in work-related matters, but also in personal areas. You may catch some flack, or become involved in conflicts that don't appear to have anything to do with you. All your tact and diplomacy are needed to maintain harmony in the work place. However, you are better equipped to deal with sensitive affairs than usual and you manage to diffuse most of these potentially explosive affairs.

Pretty much the same experiences await you regarding relationships with relatives and friends, but here too, you are able to keep the peace.

Your intuition and sensitivity are your strongest assets during this month.

There is, however, also a need to stand up for yourself. Someone is about to claim credit which rightly belongs to you. Again, diplomacy and tact are required to solve this problem.

This is also a good month for negotiation and financial affairs, particularly concerning loans and mortgages.

Romance can be powerful, but may cause problems when money is involved.

Paul

9

December is a 9 Personal Month in a 6 Personal Year and it is the second time this year that some letting go has to be done. A relationship is going to end. This

can cause some distress, but there are also feelings of gratitude. Your feelings run deep, but you have difficulty expressing them.

You feel vulnerable and emotional. You are attracted to giving your time and energy to something outside of yourself.

Clean out the garage or attic and donate the excess to charity.

There are changes in the work situation, such as a shift in personnel. In a strange turn of events, you may find yourself having to defend your actions and motivations. Your honesty may be questioned.

If you are single, you may meet someone later this month.

If you are committed, you may feel you are involved in a roller-coaster kind of relationship. Not to worry, things calm down by the end of the month.

**Joanne Paul,
Your Personal Month's compatibility for December 2004 is 2 and 9**

Joanne and Paul, this is a time when you will be able to recognize whether the relationship is founded on real substance. You are both experiencing a time when emotional forces seem to rule. Joanne is somewhat self-absorbed and emotional about pretty much everything. Vulnerable and sensitive, Joanne is also more aware and finely tuned to recognize what is real and what is not. In order for the heart to see more clearly, some protective layers have to be dismantled. This is exactly what is going on with Joanne in regards to the relationship. While the heart is seeking truth and clarity, it is also more exposed and vulnerable.

For Paul, a different but no less emotionally charged period is reflected in the nine. Paul is also searching for answers, but the question is not so much connected to the relationship as to Paul, the human being. Paul is facing a crossroads and not sure about which way to turn.

This is a very important time for Paul, a time during which Paul experiences ups and downs like a roller coaster. A time of growth and choice.

Joanne and Paul, you are two people going through different emotional and spiritual changes. You will be able to support each other only in the most basic sense; you can give each other love.

If the relationship has real substance, you will get through this time with flying colors. If the relationship does not have real substance, you will both know that by the end of this period.

YOUR PERSONAL YEAR FOR 2005

Setting your plans

Personal years grow one out of the other. After knowing the character of your 2004 you can look to put realistic goal-setting and life-planning into the next one, going with the flow of its energies instead of fighting them.

Joanne's Personal Year for 2005 vibrates 9 and Paul's Personal Year for 2005 vibrates 7.

Joanne

9

This is your year to finish up all unfinished business, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts. On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with your self. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Your creativity is higher than usual. There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and your courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

Paul

7

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to

give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health. It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.
